Aloha Economic Development, Energy, Agriculture and Recreation Committee Chair Don Guzman:

RE: AUTHORIZING GRANT OF A LEASE OF REAL PROPERTY TO TEACH DEVELOPMENT LLC (OLD MAUI HIGH SCHOOL CAMPUS) (EAR-63)

I am writing to kindly request that the agenda item, EAR-63, relating to TEACH Dev LLC be moved to a later date. After thoughtful, advanced notice advice given, the means in which to reach the communities of interest was not exercised. While the stewards of this place are owed attention, I believe the Friends of Old Maui High School may have felt they made community outreach during their masterplan work. This was in fact assisted by Chris Hart & Associates but was too long ago to be rightfully considered timely community outreach.

Please defer this item so that the project administrators can be afforded the opportunity to make a broader attempt to include communities that will be largely impacted by this project.

Sincerely, Faith Chase
