To the Attention of EAR Chair Don Guzman & Maui County EAR Committee,

It has recently come to my attention that you will be holding an EAR Committee meeting today regarding EAR-63 at 1:30pm.

I am a Maui County resident and I'm requesting that you defer EAR-63 until more public meetings have been held and resident input has been received. Please defer this item until the new council can look into it, since this is such a weighty and lengthy project that demands public opinion is heard.

I strongly believe that the Maui County Dept. of Economic Development, Energy, Agriculture & Recreation Committee needs to hold more public meetings regarding EAR-63 and other County related projects such as this before any steps of action or decision are made.

As a Maui County taxpayer, I believe it is my right to be informed about project plans that happen in my community before decisions are made.

Sincerely,

Maui County Taxpayer
