Aloha,

Mahalo for the opportunity to support the appointment of Marc Takamori as the Director of Transportation for Maui County.

As Marc's counterpart at the County of Kauai, Transportation Agency, I can't think of anyone who is more dedicated to the success and qualified to lead the Maui Bus into the future. Marc knows the Maui Bus. He has a firm grasp of what it takes to hit the ground running and excel in the job and he has the vision to lead the department as it evolves and grows to serve the community.

I offer my humble support of Marc Takamori to be appointed as the Director of Transportation for Maui County. Please contact me if there are any questions.
