Dear Council:

Regretfully, I must rescind my application for the South Maui Advisory Board. While I'd like to contribute, I realize that I am unqualified, that I don't have the needed skills.

I attended the Kihei Community Association virtual meeting two nights ago and heard the West Maui Advisory member discuss her experience and what is needed. I spent the next day studying the admirable 1998 South Maui Plan and read much of the related information. I confirmed with a best friend that this would be beyond me, unfortunately, despite my sincere desire to be a good citizen.

Aloha,

Bobbie Best
