AUTHORIZING THE FILING OF AN APPLICATION
WITH THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT,
UNITED STATES OF AMERICA,
FOR A GRANT UNDER THE
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

WHEREAS, pursuant to Title I, Housing and Community Acts of 1974 and 1977, and Section 7(d), Department of Housing and Urban Development Act, the United States of America has authorized the making of grants to public bodies to aid in financing housing and community development projects; and

WHEREAS, the assistance of the U.S. Department of Housing and Urban Development is desired to aid in the development of several community development projects within the County of Maui; now, therefore,

BE IT RESOLVED BY THE Council of the County of Maui:

1. If in the absence of viable current alternate projects proposed in the CDBG 2018 Program Year for the consideration of reprogrammable funds, alternate projects from prior years may be considered, but shall be required to first submit an updated application and be evaluated for its project readiness and viability in

CONFLICT OF INTEREST QUESTIONNAIRE

County of Maui CDBG Statement on Conflict of Interest, quotation of 24 CFR § 570.611 and the Conflict of Interest Questionnaire

Federal, State and County regulations prohibits employees and public officials from participating on behalf of the County of Maui in any transaction in which they have a financial interest in or perception thereof. This questionnaire must be completed and submitted by each applicant for County of Maui Community Development Block Grant (CDBG) funding as Attachment P. The purpose of this questionnaire is to determine if the applicant, or any of the applicant's staff, or any of the applicant's Board of Directors would be in conflict of interest. Carefully read and understand the following:

HUD REGULATION REGARDING CONFLICT OF INTEREST

24 CFR § 570.611 Conflict of interest

(a) Applicability. (1) In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, shall apply. (2) In all cases not governed by 24 CFR 85.36 and 84.42, the provisions of this section shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the recipient or by its subrecipients to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to Sec. 570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to Sec. 570.203, 570.204, 570.455, or 570.703(i)).

(b) Conflicts prohibited. The general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decisionmaking process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For the UDAG program, the above restrictions shall apply to all activities that are a part of the UDAG project, and shall cover any such financial interest or benefit during, or at any time after, such person's tenure.

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds under this part.

(d) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis

when it has satisfactorily met the threshold requirements of (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.

(1) Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation:

- (i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
- (ii) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(2) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the recipient's program or project, taking into account the cumulative effect of the following factors, as applicable:

- (i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
- (ii) Whether an opportunity was provided for open competitive bidding or negotiation;
- (iii) Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- (iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;
- (v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section.
- (vi) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

Any other relevant considerations.

 Title President Date 11-27-17

Addition to Conflict of Interest Questionnaire:

4. Jonathan Starr is a member of the Board of Directors of Kaupo Community Association, Inc. and is the School Restoration Committee Chair and Project Manager for the Old Kaupo School Project. He also serves as an unpaid volunteer member of the Maui Redevelopment Agency. The Maui Redevelopment Agency was formed under Hawaii Revised Statute HRS 53-2, the State Urban Renewal Law, and has responsibility and duties related solely to designated Urban Redevelopment Areas. There is only one of these in Maui County, the Wailuku Redevelopment Area, which is part of the central core of the County, the Wailuku Redevelopment Area, which is part of the central core of Wailuku Town, on the opposite end of Maui from Kaupo. This agency encourages the revitalization of the streetscape of the Wailuku town core.

Linda Clark, Board President of Kaupo Community Association, Inc. serves as a volunteer on the Hana District Advisory Committee to the Maui Planning Commission. This body renders advice to the Maui Planning Commission on zoning and planning entitlements in the Hana district.

Elise Moniz, Board Secretary of Kaupo Community Association, Inc., an an employee of the Maui County Department of Water.

Kaupo Community Association, Inc. contacted Maui Corporation Counsel for advice on this matter, and verbal advice was received from First Deputy Corporation Counsel Ed Kushi and Deputy Mike Hopper, who staff the agencies mentioned above, and advise the members. They felt that it would be difficult to foresee any circumstance where there could be connectivity, information flow, influence or relevance between service on these volunteer citizens' bodies and the functioning of the CDBG process, or to the service project undertaken by the Kaupo Community Association, Inc. to restore the old school buildings and provide necessary off-grid infrastructure for them in remote, rural Kaupo.

If the Kaupo Community Association, Inc. is chosen to enter into agreement to received CDBG funding, the Association will again consult with Maui County Corporation Counsel and the Maui CDBG office, to find the most appropriate manner for public disclosure to fully satisfy HUD requirements and the public trust. Additionally, if in the future any potential situation develops where the perception or fact of conflict of interest could occur, Starr, Clark and Moniz will work with Corporation Counsel to further disclose this potential conflict and recuse themselves from any Association, Project, or Board or Commission action that would be involved or related.

This questionnaire must be completed and submitted by each applicant for County of Maui Community Development Block Grant (CDBG) funding as Attachment P. The purpose of this questionnaire is to determine if the applicant, or any of the applicant's staff, or any of the applicant's Board of Directors would be in conflict of interest. HUD REGULATION REGARDING CONFLICT OF INTEREST

24 CFR § 570.611 Conflict of interest

(a) Applicability. (1) In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, shall apply. (2) In all cases not governed by 24 CFR 85.36 and 84.42, the provisions of this section shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the recipient or by its subrecipients to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to Sec. 570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to Sec. 570.203, 570.204, 570.455, or 570.703(i)).

(b) Conflicts prohibited. The general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decisionmaking process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For the UDAG program, the above restrictions shall apply to all activities that are a part of the UDAG project, and shall cover any such financial interest or benefit during, or at any time after, such person's tenure.

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds under this part.

(d) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis

when it has satisfactorily met the threshold requirements of (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.

(1) Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation:

- (i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
- (ii) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(2) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d)(1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the recipient's program or project, taking into account the cumulative effect of the following factors, as applicable:

- (i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
- (ii) Whether an opportunity was provided for open competitive bidding or negotiation;
- (iii) Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- (iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;
- (v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section.
- (vi) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

Any other relevant considerations.
