Subject: Front St Apartments HHT-39

Good morning,

I would like to submit testimony on behalf of an elderly tenant living in the complex here. If it is too late to submit by email, should I bring 16 copies to the meeting today? Thank you for responding.

Barbara Henny, Co chair, Steering Committee, Front Street Apartments.

From Eileen Sealey, Front Street Apartments:

Dear Council Members,

As a resident of Front Street Apartments, I am concerned that the current rents for these apartments will no longer be affordable, but will increase to full market value in 2019. That increase will be twice the amount I currently pay monthly.

I am a senior citizen and have resided here for the past ten years. I am retired and need to work part time in order to keep up with living expenses. There are many people living here in the same situation as myself. I have no idea where I would live! It would be impossible to pay the amount of rent they will be asking. I pray and hope there is a way you are able to help us.
