**Subject:** PLEASE PASS proposed bill 6.04.041

As a US citizen and bird and wildlife lover, I'm writing in SUPPORT of the proposed bill "6.04.041 Feeding of feral animals prohibited. NO person may feed or deliberately introduce any food material, substance or attractant directly to, or in the vicinity of, any feral animal."

Feral nonnative animals, be they hogs, chickens, cats, or other animals, are a **detriment to our native species** both on Maui and the US mainland. They should **NOT be artificially subsidized by human activities**. Please make a STRONG statement by passing this bill to protect native wildlife!

Thank you,  
Jennifer Murtoff
