Subject: about the WUDP, public voice and council vote

Aloha, and Mahalo for your attention.

I am contacting others I know in Haiku and Paia who are going to be affected by water use and development plans, to make sure more people are aware of what is happening. It is unacceptable to have a "public hearing" postponed from September 11th to the same day of the proposed vote on September 25th. Citizens and farmers need an online "Town Hall" on the WUDP before the first council vote. There are serious questions and concerns to be addressed.

Please take pono & appropriate action(s).
