Ms. Erin Wade, Chief of Planning and Development  
Department of Management  
County of Maui  
Wailuku, Hawaii 96793

Dear Ms. Wade:

**SUBJECT: MAUI WILDFIRE DEBRIS REMOVAL FOR  
COUNTY-OWNED PROPERTIES (WAI-1(12))**

Thank you again for participating in the Water and Infrastructure Committee's discussion of November 27, 2023, on this important matter.

As part of the discussion, the Committee was informed that the Federal Emergency Management Agency would review the archaeological assessments for County-owned properties and provide recommendations on the use and monitoring of those properties.

May I please request your Department provide quarterly progress reports to the Council on the status of the County-owned properties during the debris removal process? Please consider including the findings in the archaeological assessment, the recommendations on the use of the property, and whether any standing structures will be kept in place.

Thank you for your prompt attention on this important matter. To ensure efficient processing, please submit any response to [wai.committee@mauicounty.us](mailto:wai.committee@mauicounty.us) and include the relevant Committee item number in the subject line of your response.
