Subject: Barbara Barry

To Whom it May Concern:

Please approve the application for Barbara Barry to the Kula Ag Park Committee. Barbara is very knowledgeable regarding many areas of agriculture and runs her family farm, where she grows a variety of trees and tropical plants including kale, bananas, coconuts and sugarcane. Barbara involves herself in many community issues around respect for the Hawaiian culture and and indigenous practices in caring for the land. Barbara is dedicated to the being a positive influence on the future of Maui.

Sincerely,
