"Aloha" Mike - please find attached a letter of support for Will Spence. I believe you are having confirmation hearings tomorrow, and I just wanted to say that I've known Will for almost 20 years now and have always been impressed by his desire to truly serve the community.

Best wishes

Re: Will Spence

“Aloha” Mr Molina,

I heard that Maui County Council has yet to confirm several department heads, among them Mr Will Spence as head of Housing. I know that many, many factors come into play when making such important decisions, but I'd simply like to speak up for Will as someone I've known for almost 20 years.

I've always considered him ever since he was simply a planner in the department and have always found him to be fair minded, looking for a 'compromise' solution where necessary. He's also cool headed and diplomatic. I watched him field a very challenging audience indeed at a Haiku Association meeting last year where he would have had ample reason to lose his composure, but he did not.

Most important, I think, is the fact that he genuinely loves working for Maui County, and his the good of community at heart. He especially loves working in Housing, where he feels he can make a genuine difference to people's lives. In short – a truly 'good' man.

Sincerely,

Sharyn Stone
