Chair of the GREAT Committee
200 South High Street

Dear Council Member Molina,

SUBJECT: POTENTIAL ACQUISITION, PRESERVATION AND IMPROVEMENTS TO WAWAU POINT ("BABY BEACH")

Thank you for your letter of September 29, 2021 to Randall Endo. Here are our responses to your inquiry:

1. What is the status of negotiations, if any, with the County on the acquisition of Wawau Point, Paia, Maui, Hawaii, tax map key (2) 3-8-001:072?
Answer: We are currently in negotiations with the Administration about the management and public use of the area; and possible County acquisition. However, as discussions are ongoing, we cannot divulge any further details.
2. If negotiations have not commenced, is Alexander & Baldwin interested in selling the parcel to the County?
Answer: N/A
3. Will you or another company representative attend the Committee meeting?
Answer: Unfortunately, I have another commitment on October 19 and am unable to participate in the GREAT committee meeting. We could have another representative from A&B participate.

As an update to the status of the area, you will be pleased to know that we continue to work with some of the neighbors and concerned citizens. The necessary SMA permits have been issued to complete work needed in the area. This would include the installation of a new gate, signage and boulders along the point to protect vehicles from getting too close to the edge of the shoreline.

Mahalo for your interest and please feel free to reach out if there are any other questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Carol Reimann'.
