RE: LU-2(5)

Aloha!

My name is Karey Kapoi, and I have been a resident of Waikapu, Maui for the last 11 years, and lifetime resident of Central Maui.

I support the proposed Wailuku Apartment Rental project for a number of reasons, but primarily to offer quality, affordable housing to our local families who are struggling to meet basic living expenses. We've seen far too frequently, families needing to relocate, or work multiple jobs to get by - oftentimes, separating from their extended family and support system, further stressing social services within the community. Our residents deserve access to living conditions that will allow them to thrive where they grew up, providing greater opportunities to their children and others. This project aids in achieving those hopes.

Please vote in support of the Wailuku Apartment Rental Housing Project, and give our families an opportunity to build lives here for themselves and their children.

Thank you,
Karey Kapoi
