RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

The Makila Farms affordable housing project will greatly give people who have lived here and appreciate the land and culture for a long time. We, the people who works hard and earn an honest living to give our family to live life to the fullest. Unfortunately, we don't have much housing opportunity like this that comes up, and when we do, we take chances because is the only way we can keep trying to keep our family living at it's best. I have lived here for 20 years now, and it is so hard to find housing that are affordable where me and my family can breathe and not struggle. It would be great to have more affordable housing opportunities. We need housing projects of this price range, please give us people of low income a chance. Thank you!
