**Subject:** Re: FW: Bill 42 (2023), Relating to General Provisions for Subdivisions and Historic Property (WAI-8)

Aloha,

I didn't see any mention of financial support in perpetuity to the group that takes responsibility for the preservation area. I know, in the case of Mr. Dowling, he is proposing the HOA will fund the cultural preserve and preservation and/or restoration efforts - but what about subsequent subdivisions that are not Mr. Dowlings? Having the finances in place to fund the preservation plan - in perpetuity - are critical.

A hui hou,  
J6

Janet Six, PhD  
Principal Archaeologist for the County of Maui

Aloha Ms. Six,

On behalf of WAI Chair Cook, may we please request an update on your correspondence? We understand it was a short deadline, your assistance is greatly appreciated.

Mahalo,  
WAI Committee Staff
