Vehicle Valuation Methodology Explanation

WorkCenter Total Loss was designed and built in conjunction with J.D. Powers, experts in data analysis and vehicle pricing and a highly trusted name among consumers. With years of experience in vehicle pricing, J.D. Power is a credible, third-party expert whose name provides consumer recognition and confidence. WCTL provides a consistent methodology across all vehicles and it includes valid comparable vehicles that most closely resemble the totaled vehicle and are similar to the vehicles a consumer would find in their own research.

WorkCenter Total Loss produces accurate and easy-to-understand vehicle valuations via this five step process:

Step 1 - Locate Comparable Vehicles

Locate vehicles that are the closest match to the loss vehicle in the same market area. WorkCenter Total Loss utilizes consumer-based vehicle sources along with inventory directly from Dealerships. When available WCTL also provides sold vehicle records from sources such as J.D. Powers.

Step 2 - Adjust Comparable Vehicles

Make adjustments to the prices of the comparable vehicles. The comparable vehicles are identical to the loss vehicle except where adjustments are itemized. There are several types of comparable vehicle adjustments

- Projected Sold Adjustment - an adjustment to reflect consumer purchasing behavior (negotiating a different price than the listed price).
- Vehicle Configuration Adjustment- an adjustment for differences in configuration between the comparable vehicle and the loss vehicle (e.g. differences in trim).
- Mileage Adjustment - an adjustment for differences in mileage between the comparable vehicle and the loss vehicle.
- Equipment- adjustments for differences in equipment between the comparable vehicle (e.g. equipment packages and options) and the loss vehicle.

Step 3 - Calculate Base Vehicle Value

The base vehicle value is calculated by averaging the adjusted prices of the comparable vehicles.

Step 4 - Calculate Loss Vehicle Adjustments

There are four types of loss vehicle adjustments:

- Condition Adjustment:
Adjustments to account for the condition of the loss vehicle prior to the loss.
- Prior Damage Adjustment:
Adjustments to account for any prior damage present on the loss vehicle prior to the loss.
- After Market Part Adjustment:
Adjustments to account for any after market parts present on the loss vehicle prior to the loss.
- Refurbishment Adjustment:
Adjustments to account for any refurbishment performed on the loss vehicle prior to the loss.

Step 5 - Calculate the Market Value

The Market Value is calculated by applying the loss vehicle adjustments to the base value.

Narrative

Rockwell SILVA
Sergeant, Charlie Watch
Wailuku Patrol Division
55 Mahalani Street
Wailuku, Maui, Hawaii

ASSIGNMENT:

On 04/24/2018 at 1400 hours, assigned as Sergeant Wailuku Patrol Division. On 04/24/2018 at about 2126 hours, Wailuku Units were assigned to investigate a Motor Vehicle Crash on Kahekili Highway at Nawai Eha Street in Waiehu.

On 04/24/2018 at about 2130 hours, I heard Officer Shane HERNANDEZ who was assigned to Beat 11 transmit over the police radio that he was involved in a Motor Vehicle Crash on Kahului Beach Road at Kanaloa Avenue.

I responded to the scene from the Wailuku Police Station.

I arrived at approximately 2132 hours.

SCENE:

Upon arrival at the scene of the crash, I observed a white suv type vehicle bearing State of Hawaii license plates LGF181 with front end damages to the right shoulder of the roadway. To the front of that vehicle was a gray Honda Accord bearing State of Hawaii license plates LHK857 with rear end damages. To the front of those vehicles was Maui Police Patrol fleet vehicle MPD743 with damages to the right front and right rear doors.

I conducted a check with all of the occupants of the vehicles for injuries. There was only person identified as Lcu Ann ALO who reported that she was shaken up with a little pain and discomfort to her back and neck. She was found to be the left rear passenger of vehicle LHK857. She refused and medical treatment.

MIRANDA WARNINGS OF UNIT #1 DRIVER: HERNANDEZ, Shane

On 04/24/2018 at 2135 hours, I informed Officer Shane HERNANDEZ of his Constitutional Rights at the scene. He acknowledged that he understood his Constitutional Rights and waived his rights on his own free will.

The following statement was obtained.

UNIT #1 DRIVER: HERNANDEZ, Shane

On 04/24/2018 at 2135 hours, Officer HERNANDEZ reported that he was assigned emergency mode to the Motor Vehicle Crash on Kahekili Highway at Nawai Eha Street in Waiehu.

He was traveling northeast direction on Kanaloa Avenue and approached the Kanaloa Avenue intersection. He came to a slow creeping stop on Kanaloa Avenue and noticed traffic on Kahului Beach Road Kahului bound traffic coming to a slow stop and pulling over to the side. He began slowly creeping into the intersection and saw the gray Honda LHK857 slowly go through the intersection on Kahului Beach Road at the Kanaloa Avenue intersection then immediately pull over to the right side of the roadway shoulder.

As he looked toward the Kahului direction to see if there was any other vehicles coming, he observed another vehicle approximately 200 feet south of the intersection. He thought that it was clear for him to continue on but as he executed the left turn onto Kahului Beach Road into the inner lane, he felt a collision into the right rear side of his patrol

vehicle. As he looked in his right review mirror, he observed the white vehicle (LGF181) continue forward colliding into the concrete barrier which runs along the shoulder of the roadway and into the rear of the gray Honda LHK857.

He immediately notified dispatch that he was involved in a collision and pulled over to the right side shoulder of Kahului Beach Road in front of all of the other two vehicles that were involved in this crash.

He reported that he was not injured in the crash and immediately got out of his patrol vehicle and made checks with all of the occupants of the other vehicles. At which time, no one reported being injured to him.

MIRANDA WARNINGS OF UNIT #2 DRIVER: ORNELAS, Isalia Tellez

On 04/24/018 at about 2159 hours, I informed Isalia ORNELAS her Constitutional Rights via her husband Adolfo CASANOVA who related that he would be an interpreter because his wife ORNELAS did not fully understand the English language.

While informing her of her Constitutional Rights, she acknowledged that she understood her Constitutional Rights and would voluntarily give a statement. At the same time, I observed Lieutenant Richard RODRIGUEZ arrive on scene. I informed CASANOVA that the Lieutenant speaks Spanish and I would ask for his assistance in obtaining a statement from ORNELAS.

UNIT#2 DRIVER STATEMENT: ORENLAS, Isalia Tellez

Refer to Lieutenant Richard RODRIGUEZ report.

MIRANDA WARNINGS OF UNIT #3 DRIVER: KITAGAWA-COCKETT, Kimiko

On 04/24/2018 at 2143 hours, I informed Kimiko KITAGAWA-COCKETT her Constitutional Rights. She acknowledged that she understood her Constitutional Rights and would waive her Constitutional Rights on her own free will and give a statement.

The following statement was obtained by KITAGAWA-COCKETT.

INVESTIGATION:

Reveals thus far that on 04/24/2018 at about 2130 hours, Officer Shane HERNANDEZ who was operating Maui Police Department patrol fleet vehicle MPD743 Unit #1, was traveling northeast direction on Kanaloa Avenue in the emergency mode with blue lights, sirens, flashers and wigwags activated executed a left turn on a red traffic signal.

As Unit #1 approached on Kanaloa Avenue at Kahului Beach Road intersection on a red traffic signal, Unit #1 came to a slow creep and observed the traffic on Kahului Beach Road, Kahului bound traffic come to a stop. As Unit #1 continued forward on a slow creep Unit #1 observed Unit #3 on Kahului Beach Road go through the intersection in the outer lane and pullover to the right side shoulder.

As Unit #1 continued creeping through the intersection, Unit #1 executed the left turn into the inner lane of travel on Kahului Beach Road and collided with Unit #2 that was Wailuku bound on Kahului Beach Road in the inner lane.

Therefore after Unit#2 collided with Unit #1, causing Unit #2 to continue forward in an angle and collided with the concrete barrier on the right shoulder, then continue forward and collide into the rear of Unit#3 that was stopped on the right shoulder on Kahului Beach Road.

Unit #3 passenger (60) sustained minor discomfort to her neck due to the collision. Unit #3 passenger (60) refused medical treatment at the scene. No other injuries were reported.

Unit #1 was driven back to the Wailuku Police Station motor pool where it was downed due to the right doors unable to open. Unit #2 was towed via 808 Tow Company and Unit #3 was towed via family members.

ON BEAT:

On 04/24/2018 at approximately 2128 hours, I was traveling north on Kanaoia Avenue. I was heading to a motor vehicle accident on Kahakiki and Na Nai Eha to assist. Officer HERNANDEZ was at the intersection of Kanaoia Avenue and Kahului Beach Road. I was approximately at the entrance of Lanakila Church on Kanaoia Avenue. OFC. HERNANDEZ had his blue lights, siren and flashers activated, as he approached the intersection of Kanaoia Avenue and Kahului Beach Road. OFC. HERNANDEZ stopped on Kanaoia Avenue before proceeding through the intersection.

As OFC. HERNANDEZ went through the intersection I was slowing to stop at Kanaoia Avenue, as the light was red. From my position I had an unobstructed view of Kanaoia Avenue and Kahului Beach Road which was clear. OFC HERNANDEZ had almost completed his left turn onto Kahului Beach Road. OFC HERNANDEZ was already proceeding north west on Kahului Beach Road, in the lane closest to the dirt median.

While I was stopped at the traffic signal, I saw a vehicle drive through the intersection at Kahului Beach Road and Kanaoia Avenue. This vehicle LGF181, was in the same lane as OFC. HERNANDEZ. As it drove through the intersection, I thought to myself, this car is going to hit the Police car. Just as I said this to myself, the white car (LGF181) drive into and through OFC. HERNANDEZ's lane.

I saw OFC HERNANDEZ swerve to his left, and I saw the white SUV swerve to the right. I thought that both cars had narrowly missed colliding into each other.

When the white vehicle swerved to the right it did not stop, then collided into the concrete barrier, along Kahului Beach Road. After colliding with the concrete barrier, LGF181 careened to the left and collided with a grey sedan that was stopped on the shoulder of Kahului Beach Road.

I notified dispatch of the accident, then began to check with all involved.

ASSIGNMENT/ARRIVAL:

On April 24, 2018 at 2126 hours, Wailuku patrol officers were assigned to a major motor vehicle accident fronting I Kuu One Hanau Way in Waihehu involving injuries (18-017523). Officer Shane HERNANDEZ was one of the officers assigned emergency response to the call. At about 2130 hours while Officer HERNANDEZ was en route to the motor vehicle accident from the Wailuku Police Station, he ended up getting involved in a separate motor vehicle accident at the intersection area of Kanaioa Avenue and Kahului Beach Road. I proceeded to that location to assess the situation and arrived on scene at 2139 hours.

Preliminary investigation revealed that a female motorist traveling northbound on Kahului Beach Road collided with the right passenger side of Officer HERNANDEZ'S patrol vehicle as he was executing a left turn onto Kahului Beach Road from Kanaioa Avenue.

OFFICER'S OBSERVATIONS/ACTIONS:

Once on scene, I observed Sergeant Rockwell SILVA speaking to an adult male on the east shoulder area of the roadway (later identified as Adolfo CASANOVA). Sergeant SILVA approached me and related that the female motorist who had collided with the patrol vehicle, later identified as Isalis ORNELAS, apparently called her husband (CASANOVA) right after the collision, and he responded there to the scene. Sergeant SILVA stated that ORNELAS was just advised of her Constitutional Rights which were interpreted to her by CASANOVA as she only spoke Spanish. That CASANOVA informed Sergeant SILVA his wife understood her rights and was willing to give a statement.

Being that I spoke Spanish, I informed Sergeant SILVA that I would obtain ORNELAS' statement regarding the motor vehicle accident.

STATEMENT OF: Isalis Tellez ORNELAS Adult/M/Fem

Interviewed on April 24, 2018 at about 2142 hours on the east shoulder of Kahului Beach Road near the intersection area of Kanaioa Avenue. Present during the interview was her husband, Adolfo CASANOVA.

ORNELAS related she was alone and driving northbound on Kahului Beach Road at about thirty miles per hour and was within the inner lane. As she was approaching the intersection area of Kanaioa Avenue, the overhead traffic signal was green, so she proceeded through the intersection at about the same speed. She related while still in the intersection area, she was suddenly struck by a patrol vehicle from either behind or on her left side which caused her vehicle to jolt in a forward motion. As a result of the collision, she related she was forced into the concrete barriers located alongside the east shoulder of the roadway and into the rear of another vehicle that was in front of her. She added that she did not see the patrol vehicle prior to entering the intersection.

INJURIES:

No visible injuries were observed, however, Isalis ORNELAS complained of pain to her head. She refused medical attention when it was offered to her, relating she was okay.

Supplement type:

Checks were then made of ORNELAS' vehicle, described as a white Subaru WRX bearing Hawaii Plates LGF-181. The only damages observed to her vehicle were to the entire front bumper area. Photos were taken and submitted by Sergeant SILVA.

OFFICER'S ACTIONS:

Myself along with ORNELAS' husband (CASANOVA) proceeded to Officer Shane HERNANDEZ'S patrol vehicle (MPD-743) to make checks of the damages to his vehicle. The only damages observed to the patrol vehicle were to the right passenger side doors (front and back doors). This indicated to me that it was ORNELAS' vehicle which struck HERNANDEZ'S vehicle and not the other way around. Photos were taken and submitted by Sergeant SILVA.

ADDITIONAL INFORMATION/INVESTIGATION:

Refer to the reports submitted by the other officers.
