Dear Mr. Yamamura:

SUBJECT: ONE FARM PLAN (PEA-37)

May I please request you review and comment on the attached draft One Farm Plan Application form originally sent via correspondence dated April 11, 2018. The County's Department of Planning, Department of Water Supply, and Department of Finance (Real Property Tax Division) were instrumental in crafting the draft application form based on comments and suggestions received during our initial One Farm Plan Working Group meeting in September 2017.

Your valuable feedback is important towards achieving a consolidated, more efficient application process for farmers applying for agricultural use valuation, agricultural water, short-term rental home or bed and breakfast home permits, or building permits on agricultural-zoned property.

May I request your written response **no later than Friday, July 20, 2018**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.

Dear Mr. Yamamura:

SUBJECT: ONE FARM PLAN (PEA-37)

May I please request you review and comment on the attached draft One Farm Plan Application form. The form was derived in response to the One Farm Plan Working Group's request to have one consolidated form to apply for agricultural use valuation, agricultural water, short-term rental home or bed and breakfast home permits, or building permits in an agricultural-zoned property, with input from the Department of Planning, Department of Water Supply, and Department of Finance (Real Property Tax Division).

Highlights of the form include: an Agricultural Use Verification component which replaces the need for a separate Pasture Rotation Statement, Marketing/Harvesting Schedule, information on estimated water usage, and a five-year timeline of projected gross income; an instructional guide for completing the application; a consolidated annual application deadline of September 1, and an email option to onefarmplan@mauicounty.us to submit the form. Additionally, the Real Property Tax Division will be responsible for all inspections of agricultural parcels instead of the current process involving separate inspections conducted by the Department of Planning, Department of Water Supply, and Department of Finance (Real Property Tax Division).

May I request your written response **no later than Tuesday, May 1, 2018**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.

Total area of Agricultural Use must exceed 50% of the total useable area of the parcel if you are applying for a Building/Short-Term Rental/Bed & Breakfast Permit.

****Agriculture Use as defined by Rules and Regulations MCC 3.48.325:**

"Agriculture Use" shall mean lands actually put to agricultural use adhering to acceptable standards to produce crop, specific livestock including ranching use. Actually put to agricultural use shall be deemed to be when crops are actually in cultivation, and farm management efforts such as weed or pruning control, plowing, including housing, fencing and water facilities for livestock and pasturing of animals are clearly evident. It does not include nor apply to areas used primarily as yard space, setbacks, or open landscape associated with residential use planted with fruit and ornamental trees, flowers, and vegetables primarily for home use.

Upon receiving application, Compliance & Enforcement Section will be performing a property inspection by February 1st subsequent to the application deadline.

If approved:

- The real property agricultural assessment shall be effective the following assessment year.
- Your agricultural water rates will be effective within the next two billing cycles after inspection.
- A Unilateral Agreement (available at the Planning Dept.) must be recorded if you are applying for a building/Short-Term Rental/B&B permit.

If not approved, you will be notified no later than February 28th. The owner or lessee may appeal as provided by ordinance.

Submit application and supplemental documentation via mail to:
