Dear Mr. Goode:

**SUBJECT: MORATORIUM ON EXPORTING SAND, THE MAUI  
INLAND SAND RESOURCE QUANTIFICATION STUDY  
AND SAND MINING REGULATION (IEM-33)**

At its meeting of July 17, 2017, the Council's Infrastructure and Environmental Management Committee discussed the potential availability of stockpiled inland sand. The Committee noted that certain individuals and organizations were unable to secure sand for beach replenishment and horse training pens.

Accordingly, may I respectfully request that you provide the following information:

1. Provide the number of permits issued during the last twelve months for resource extraction that included stockpiling of the resource.
2. Identify how many of the permits included the stockpiling of sand.
3. Specify the amount of sand excavated and stockpiled per permit.
4. If you are able to identify the cumulative total amount of stockpiled sand currently available for all the permits please provide that information.

Thank you for your consideration of this request. May I also respectfully request that you provide your written response by **July 31, 2017**.
