Dear Chair King:

SUBJECT: MOLOKAI COMMUNITY PLAN UPDATE (PC-2)

Thank you for your correspondence of August 30, 2017 requesting information related to Section 9.5, Health and Social Services, of the proposed Molokai Community Plan.

The Department has identified Ka Hale Pomaikai (KHP) as the only substance abuse treatment center on Molokai. The center provides outpatient services. The site address of the facility is 7533 Kamehameha V Highway, Ualapu'e-Kaunakakai, Hawaii 96748. KHP receives funding from the County of Maui, in addition to State and Federal funding.

In response to your inquiry on the department's recommendation regarding the committee's discussion of adding mental health issues as an action item on Table 9.5 Public Facilities and Services-Health and Social Services, the department recommends adding mental health issues to 9.5.05.

Thank you for the opportunity to provide this information. Should you have any questions, please feel free to call me at Ext. 7805.

Sincerely,

CAROL K. REIMANN
Director of Housing and Human Concerns
