Aloha Chair Cochran & Honorable Committee Members,

My name is Jen Mather and I am sending in testimony on behalf of the Parent Teacher Organization (PTO) Board of King Kamehameha III Elementary School located in Lahaina.

We are in support of the changes to the loading zone on the makai side of Front Street adjacent to the school, running from Prison Street to the south driveway. We believe that this will help in keeping that small part of the road accessible for our school's loading drop off and pick up and make it safer for our children and parents.

Although we recognize that the area is used during the posted hours by some individuals to park, and they do abide by the posted times, we are aware that not everyone does and this creates challenges for our crossing guard and the flow of traffic. The traffic in this area is heavily congested already and any help in alleviating it is welcomed.

Mahalo for the chance to engage in the process of county governance.

Aloha,  
Jen Mather  
President
