OFFICE OF THE MAYOR

January 27, 2020

Honorable Michael P. Victorino Mayor, County of Maui 200 South High Street Wailuku, Hawaii 96793 APPROVED FOR TRANSMITTAL

For Transmittal to:

Honorable Tamara Paltin, Chair Planning and Sustainable Land Use Committee Maui County Council 200 South High Street Wailuku, Hawaii 96793

Dear Chair Paltin:

SUBJECT: PLANNING AND LAND USE OF AGRICULTURAL ZONES FOR HIGH ALTITUDE AVIATION AND 5G (PSLU-42) (RFC 2020/0010)

The Department of Planning (Department) has received your letter dated January 13, 2020, requesting an update on the compliance status for each condition within Ordinance 4919 which granted a Conditional Permit to Sprint Wireless for a 35-foot monopalm tower.

Condition 6 of the Conditional Permit requires Sprint Wireless to submit a compliance report for the Department's approval before Sprint Wireless submits a building permit application. The Department has no record of having yet received such a compliance report and we do not find any record of an application for a building permit.

Since the compliance report would be the principal means by which the Department would be made aware of the applicant's status of the fulfillment of the conditions of approval, we have no more substantive response to offer you at this time. However, we have also forwarded your inquiry to the applicant and asked them to provide us information responsive to your letter. When they provide us a substantive response we would be happy to review that and respond further to you.

Honorable Michael P. Victorino, Mayor For Transmittal to: Honorable Tamara Paltin, Chair January 27, 2020 Page 2

Thank you for your request and consideration of the Department's response. Should you have any questions, please feel free to contact me.

Sincerely,

mull m
