RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

Aloha,

On behalf of Kevin & Danielle Fujimoto from Lahaina. We are Speaking out to support The Makila Farms Development. We would like to see more than 19 affordable housing up for lottery. My husband works 2 full time jobs, just to make ends meet and we are still unable to get prequalified for a mortgage because the cost of living and real-estate market is so high. We are all in to support this project so we can raise our 3 children where we are born and raised here in Lahaina. I would like to see affordable interest rates for the 30years the mortgage would go for, so it can be passed down to our childrens, children. This opportunity For us locals is so heart warming to even think we have a chance to own a 2+ acre lot that would run for millions that we would never in our life be able to afford. This is an amazing opportunity to teach our keiki how to survive and live off the land, just how it was past down from generations to generation. We really hope and pray to have more than 19 chances in the lottery to finally have a home to call home.

Mahalo,
The Fujimoto's
