

## Section 4 CM KRF Amendments 3.4.21

Action No.	Page	Change
1.02	106	Remove “consider” change “developing” to develop.
1.07	106	<p>Revert back to CPAC recommendation:</p> <p><u>“Obtain funding for additional sea level rise exposure modeling incorporating local data, for six feet or more of sea level rise to use in vulnerability assessment of critical infrastructure and facilities.”</u></p> <p>Justification: This was a suggestion from a presentation entitled Planning for Coastal Hazards and Community Resilience in West Maui -Tara Owens/Brad Romine during CPAC.)</p> <p><b>Other strategies and needs:</b></p> <ul style="list-style-type: none"> <li>● Develop innovative and sustainable financing incentives to support adaptation to sea level rise. (Tools such as improvement districts and community facilities districts.)</li> <li>● Conduct detailed vulnerability assessments for existing critical infrastructure use 6 feet in plans for critical, low tolerance, long lived infrastructure.</li> <li>● Commission additional sea level rise exposure modeling for 6 feet or more of sea level rise to use in vulnerability assessment of critical infrastructure.</li> </ul>
1.33	112	<p>Remove or replace with original CPAC language:</p> <p>“Study and implement other disposal means to <u>strive to eliminate</u> the use of underground injection control wells and <u>transition from the use of wastewater injection control wells to appropriate environmentally sound methods of waste water disposal and promote beneficial use of wastewater effluent.</u>”</p>
Add action item to Goal: <b>2.5 Safe, healthy, livable communities for all.</b>		<p><b>NEW Action Item:</b></p> <p><u>“Require public shoreline access to be provided as a condition of any discretionary county permits, for properties that lie within the special management area or abut the shoreline.”</u></p> <p>Justification:</p>

## Section 4 CM KRF Amendments 3.4.21

		<p>It compliments a related policy which does not currently have an accompanying action item:</p> <p><u>Policy 2.5.21 (page 57)</u>  “Support public and private efforts to inventory, evaluate and expand public shoreline access. Require shoreline access to currently privatized shoreline areas by gates and walls.”</p> <p>This action item would trigger any shoreline property which currently does not provide public access to develop it whenever they come in for any permit. Currently it is a discretionary decision by a CZM planner.</p>
3.09	124	Remove the last part of sentence “...unless low impact development strategies are implemented to prevent stormwater runoff.” -to mirror the amendment made to 2.3.2 on page 40
3.18	124	Add “...and/or develop offsite parking and shuttle service.”
3.21	126	<p>This same action item as drafted, is duplicated in 5.18 on page 132</p> <p>3.21 Should revert back to the original CPAC language belonging in this section related to culture: “Obtain funding, design, and build a community center <u>that allows hula halau practices by various halau.</u>”</p>
5.08	130	<p>Revert to CPAC version:</p> <p>“Propose legislation to <u>amortize the short term occupancy list and phase out short term rental use to make more housing units available for long-term occupancy.</u>”</p>
5.18	132	Obtain funding and design and build a new community center to augment the facility within the Lahaina Civic Center.” - Please explain the purpose and meaning of this action item.
