Aloha,

I am sending in testimony in support of Aaron Boswell for the liquor control commission. He is a great representation for the island of Molokai and also for Maui county because he brings integrity and a solid reputation. He values others highly by his helping any in the community through the repair of equipment and houses or whatever help is needed. He is always willing and able to help and always at his own expense. He is straightforward in his dealings and able to bring transparency and decisiveness to the position. His years as a firefighter and now as a captain allows him to see and understand policies and procedures and how it pertains to the overall objectives of the commission. I am in huge support of Aaron's consideration to the liquor control commission and hope you will too. Mahalo Council for your time and consideration.

Mahalo,

Henry A Lindo Jr
