Subject: Feral cats - Maui County

We were just informed of the inhumane Proposal to criminalize the feeding of the feral cat population on lanai. We Are highly opposed to this method – knowing it does not work are highly opposed to this method – knowing it does not work & do not support this effort!

Please let our councilman who are involved that we do not supported and need to have a better solution rather than the starvation of the feral cats and criminalization of our Maui County citizens for this kind effort. Thank you for your time and appreciate you reconsidering this.
