Subject: Amending the Fiscal year 2019 Budget: Office of The Mayor (Kaupo Community Association, Inc.) (EDB-175) Support for Funding Kaupo Community Association Inc. In the Amount Of \$475,000 For Construction of Infrastructure Improvements at The Kaupo School Property

On behalf of Kaupo Ranch, Ltd and myself Robert H. Ferreira I humbly ask that you continue support of the Kaupo Community Associations request for funding allocated in the 2019 budget amendment. Which would be for the completion of a much needed septic system and roof for photovoltaic solar panels.

I would also like to mention, how proud and pleased I am of this association, in taken on this very much needed restoration project, and their efforts to provide a place that this small but proud community much so need. This project will provide a place that this community can come together for education outreach, gather for reunions, celebrations and a safe place in time of need.

Mahalo for your support,

Robert H. Ferreira
