You don't often get email from parrish.purdy@co.maui.hi.us. [Learn why this is important](#)

Chass,

This is in response to Bill 42, CD1 Relating to general provisions for subdivisions and Historic property.

Including Section H will not change how the fire department reviews subdivisions. The Fire Department will still look at access and water supply for the subdivision. Access should comply with Title 18 Subdivisions Chapter 18.16. Water supply should comply with Title 18 Subdivisions Chapter 18.20.

We want to ensure adequate access and water supply for any subdivision in the county. I believe we can be in support of the bill.
