OFFICE OF THE
COUNTY COUNCIL

We are in receipt of your memorandum dated April 25, 2014, requesting a response to the following question and respond as follows:

Whether a salary beyond the amount authorized by the Salary Commission is legally permissible? If not, what is the basis for the Standard of Conduct differential shown on page 15-3?

A salary beyond the amount authorized by the Salary Commission is not legally permissible. The Standard of Conduct Difference and Uniform and Gun Allowance were authorized for the Chief of Police and the Deputy Chief of Police by the Mayor and Managing Director. However, whether these "allowances" are considered "salary" is a question best addressed to the Department of Personnel Services and/or the Internal Revenue Service.
