August 31, 2006

Mr. George Tengan, Director  
Department of Water Supply  
County of Maui  
Wailuku, Hawaii 96793

Dear Mr. Tengan:

**SUBJECT: ACCESS THROUGH THE HANS MICHEL PROPERTY FOR  
MAINTENANCE AND OPERATION OF KANAHA VALLEY  
STREAM (WR-27)**

As you will recall, the Water Resources Committee conducted lengthy deliberations on this subject on August 2, 2006. At its meeting, the Committee reviewed concerns raised by Mr. Hans Michel regarding alleged physical and environmental damage to his property stemming from County excavation work.

May I request that the Department of Water Supply provide the Water Resources Committee with a written status report on this matter, including information on investigative and other follow-up work following the August 2nd meeting.

May I further request that you transmit your reply by September 15, 2006.

To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.

Should you have any questions, please contact me or the Committee staff (David at ext. 7663, or Pauline at ext. 8039).

Sincerely,

  
MICHELLE ANDERSON, Chair  
Water Resources Committee
