SUBJECT: **VISITOR IMPACTS TO COUNTY ENVIRONMENTAL AND
INFRASTRUCTURAL RESOURCES** (EACP-6)

Thank you for your Department's assistance at the Environmental, Agricultural, and Cultural Preservation Committee's June 18, 2019 meeting.

At the meeting, the Committee requested your Department's further assistance in determining the following:

1. The agency that covers the approval process for additional airlift capacity, and whether the agency gets community input.
2. Whether any ticket revenue for parking violations goes to the County.
3. The legality of placing boots on vehicles parked on private property.

May I further request you provide your written response by the Committee's **Tuesday July 2, 2019** meeting. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.

Should you have any questions, please contact me or the Committee staff (Leslee Matthews at ext. 7662, Kasie Apo Takayama at ext. 7665, or Nicole Siegel at ext. 8008). Thank you again for your support.
