Mr. William Spence, Director
Department of Planning
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Spence:

SUBJECT: MOLOKAI COMMUNITY PLAN UPDATE (PC-2)

At its meeting of June 14, 2018, the Planning Committee discussed proposed revisions of the Molokai Island Community Plan. Several questions arose during its deliberations. To address these questions, the Committee requests information from the Department of Planning on the following:

1. Please provide the minutes from the Molokai Community Plan Advisory Committee meeting(s) in which the East End Policy Statement and Maunaloa Policy were discussed.
2. Please provide clarification on inconsistent language in Section 1.2, Chapter 1 regarding the supply of water. Subsection C. Water under Problems states "...current and future demand exceeds sustainable supply at this time." However, Subsection F. Natural Environment states "...adequate supply of water..."

To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.

Should you have any questions, please contact me or the Committee staff (Traci Fujita at ext. 7687, or Rayna Yap at ext. 8007).

Sincerely,

A handwritten signature in black ink that reads "Kelly T. King". The signature is written in a cursive, flowing style.

KELLY KING, Chair
Planning Committee
