Aloha Mayor Arakawa and Mr. Molina,

Thank you for nominating me to serve as a member on the Commission on Persons with Disabilities.  
After consulting with my physicians, we have come to a consensus that after some recent adjustments in my medications, I have experienced some health setbacks. They do not feel that this would be the right time to make a commitment to this position with my current health issues. I will have to kindly decline accepting this nomination at this time and will concentrate on getting back to a more stable condition again. Once I can return to a better level of health I will consider applying for the position again.

I had previously submitted my physician's letter, but I have attached it again to keep with this correspondence.

Mahalo again for considering me.
