Affordable Housing Committee

Dear Members

I pray this finds you all well. First I would like to thank you all for your service to our community. I too am concerned about our island community future. I am a 32 year resident of Maui and have raised my three children here and they are raising their own 6 children here and desire "never to leave Maui". My wife was born on Maui and is member to a large family dating back many generations. I am fortunate and able to support and educate them all through steady employment. We have worked hard to contribute good responsible adults and they deserve the opportunity to stay on Maui. I am writing now to urge each of you to approve Lihau'ula Housing project Olowalu in turn to create fee simple opportunity for our young and up-coming residents.

Thank You

Edward Clarke
