GLOSSARY

Activity

An activity is a program or part of a program. Each activity has a budget amount in the operating budget or Capital Improvement Program.

Appropriation

Money authorized to spend for a specific use.

Bonds - General Obligation

A funding tool that is a written promise to pay a specific sum plus interest in the future, used to fund capital improvement projects. A General Obligation bond is secured by the County's General Fund.

Capital Improvement Program (CIP)

Capital projects are long-lived expenditures related to construction, expansion or major repair of infrastructure. An appropriation for a capital improvement lapses six months after the close of the fiscal year. There are eight programs: Drainage, Flood Control, Government Facilities, Parks and

Recreation, Economic Development / Planning, Roads, Solid Waste Facilities and Wastewater Facilities.

Carryover Savings (Fund Balance)

Unappropriated revenue and unencumbered balances of any appropriations in a fund at the end of the fiscal year. For budget purposes this is an estimated amount.

Character

Revenue is grouped by object and character. The character (Char) is a major group such as Taxes, or Licenses and Permits.

Countywide Costs

Countywide costs include costs such as insurance, debt payments, inter-departmental transfers and employee benefits.

Debt Service

The interest and principal payments on bond issues used to finance certain capital improvement projects and loans.

Encumbrance

A commitment of funds to an expenditure at a future date as a result of a purchase order, contract or other funding commitment. An estimated amount of expenditures. The funds may not be used for any other purpose.

Expenditure

An outlay of funds. A payment for goods or services rendered.

Fiscal Year

The County fiscal year runs from July 1 to June 30 of the following year. The operating budget is based on this time frame.

Fund

A separate accounting entity with revenues and expenditures for carrying on specific activities. The largest fund is the General Fund. The Wastewater Fund, the Highway Fund and the Solidwaste Fund are other examples. Also see **FUND DESCRIPTIONS**.

GLOSSARY

Grants / Grant Revenue

A grant is a financial contribution by the County or a State, Federal or private organization to support a particular function. The County receives as well as distributes grants. Grant funds are legally restricted to expenditures for specific purposes and provide a cost sharing alternative for programs and projects. Grant revenue was referred to as "Special Revenue" in previous years' budgets.

Interfund / Interdepartmental Transfers

These are governmental accounting transfers of revenue between funds. These transfers include overhead, fringe benefits and debt service charges as well as supplemental transfers from the General Fund for special fund operations and CIP.

Lapsed Bond Proceeds

These are funds appropriated from previous fiscal years that are

not encumbered by December 31 of the following fiscal year. Lapsed funds must be re-appropriated prior to expenditure.

Object

Revenue is grouped by object and character. An object is a smaller group such as General Property Taxes, Business Licenses and Permits, or Interest Income.

Operating Budget

Expenditures for all departments' salaries and wages, operations and equipment.

Program

An activity or service or group of activities or services and the resources to carry them out, that are intended to achieve specific objectives. Each county department is responsible for at least one program. Some programs are funded by the Operating Budget and some by Grant Revenue.

Revenue

Receipts received from various sources including real property tax, the transient accommodations tax, fuel tax and sewer/cesspool user fees.

Special Assessment

A charge made against certain properties to help pay for all or part of the cost of a specific capital improvement project. Also park land or a monetary assessment fee received from new developments.

Transient Accommodations Tax

Also known as hotel room tax. The County of Maui receives 22.8% of the total amount collected by the State, after 6% of the Statewide collections are withheld for administrative expense. The current TAT rate in Hawaii is 9.25%.

FUND DESCRIPTIONS

The budget is organized into funds. A fund is a separate accounting entity with revenues and expenditures for carrying on specific activities. Each fund is a set of self-balancing accounts.

Following is a list of all funds that are subject to appropriation in the Maui County budget.

General Fund

This is the largest of the County's funds. It accounts for all financial resources which are not required to be in another fund. Services within the General Fund include police and fire protection, parks and recreation (except golf), general administrative services, social concerns, planning and other activity for which a special fund has not been created.

Liquor Control Fund

It receives revenue from all liquor license fees. Fund revenues are expended for the operation and administration of the Liquor Control Commission, Liquor Control Adjudication Board, and the Department of Liquor Control.

Highway Fund

This fund was created for the deposit of fuel taxes, public utility franchise taxes and motor vehicle weight taxes. These revenues are expended for acquisition, design, construction, Improvement, repair and maintenance

of County highways, streets, street lights, storm drains and bridges.

Wastewater Fund

It was established to receive all revenue derived from monthly sewer charges, assessments and service charges for pumping of cesspools, septic tanks, etc.. Revenue is expended for the repair, operation and maintenance of the wastewater facilities and sewer systems, including debt service.

Bikeway Fund

This fund was established to collect revenue from bicycle licenses. It is expended for bikeway construction and maintenance.

Solid waste Fund

All refuse collection fees and landfill disposal charges are deposited here. The fund is used for the operation of the County's collection and disposal programs and for diversion programs such as resource recovery and recycling.

Grant Funds

A grant is a financial contribution by the County or a State, Federal or private organization to support a particular function. The County receives as well as distributes grants. Grant funds are legally restricted to expenditures for specific purposes and provide a cost sharing alternative for programs and projects. Grant revenue

was referred to as "Special Revenue" in previous years' budgets. The funds are aggressively pursued to relieve the reliance on County funds and to encourage participation of other government agencies.

Debt Service Fund

Debt service of bonds and loans is accounted for in this fund. The transfer to this fund is included in the Operations by Budget Item report.

Golf Fund

This fund was established to account for the proceeds of playing fees and for fees from golf course concessions (restaurant and pro shop). This revenue is expended for the operation, maintenance and capital improvements of the Waiehu Golf Course.

Capital Projects Fund

It is used to account for general obligation bonds that are issued for capital improvement projects.

Utility Enterprise Fund

The Department of Water Supply uses this. The receipts and disbursements are reported by the revenue categories and program appropriations in the budget ordinance.
