Ms. Lee:

Please accept this transmittal letter declaring that our company, WordRake Holdings LLC, has agreed to donate a license for using WordRake Enterprise for Word and Outlook software to all County of Maui employees (~3,720 total users) for one year, start date TBD based on the needs of the County.

This donation is valued at \$374,415, calculated on a software base price of \$229 per user for 1 year with appropriate volume discounts applied. There are no strings attached to this donation.

This donation will not be recurring. We stand behind our software and we believe that you'll choose to stay with WordRake after the donated period ends and budget becomes available.

We've enjoyed working with the County during the initial pilot process, and we want to continue our relationship and support your mission.

Best,

Scott Johns

CEO
