RE: Appointment/Removal of Administrative Heads of Departments, GET-1(6)
David Goode – Dept. of Public Works Director

Dear Chairman Molina and Committee Members:

This letter is in support of the confirmation of David Goode as Director of the Dept. of Public Works.

I have known Dave for 15 years. He has been running a very large County operation that oversees critical support functions of our County government. He has the experience and track record. It would be very difficult to find someone more qualified for this very critical position. Dave has many years of experience running this department.

Dave has integrity, good work ethic and the ability to get the best from those around him. He has assembled a great team that works well together.

Please consider confirming David as the Public Works Director.

Should you have any questions, please do not hesitate to contact me.

Aloha,

Michael S. Spalding
