Subject: I support a ban on personal care products containing oxybenzone and octinoxate

Aloha members of the Maui County Council Infrastructure and Environmental Management Committee, I am writing to express my support for a Maui County ban on personal care products containing oxybenzone and octinoxate. I am especially concerned about the negative impacts of these products on our fragile coral reefs. Please help move this bill forward. Thank you.

Let's support our precious oceans & all of life within them rather than supporting those who choose profit over the health of our planet.

Mahalo, Sulara James & Dr. Genesis Young
