RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama

Aloha

Please push thru affordable housing project.

I'm a resident and businessman on Maui since 1975 My personal experience it took me 30 years to finally be able to buy a house due to high prices.

I have 20 people working for me in Kaanapali, none own a house or condo they are all renters not being able to accumulate equity for their later years

I've known Greg Brown for 20 years he is a hard working entrepreneur. Greg is an example of what hard work and perseverance will accomplish . I know Greg's intentions are to make west Maui a better place please work with him.

For a worker to be able to buy there own house On a nice lot is everyone's dream please help to make dreams come true.

Thank you for your consideration

Sincerely

William Brian Acason
