I Emily Bittner am in support of Jeana Nalwai owner of Hawaiian Spa Maui LLC DBA Ho'omana Spa to operate a Hawaiian Spa and Cultural Education Center on agricultural property at 1550 Piihoho Road. I have been so blessed to come to learn from Jeana and develop a spiritual Hawaiian practice that has helped my life greatly and the lives of all who I work with as a practitioner. Her family and school teach true aloha and having this for their family and the land and the island and to all the people would be such a blessing. This is true good work.
