Dear Maui County Council Water & Infrastructure Committee,

I am writing as a homeowner in the Kehalani Community Association to express my strong support for Resolution No. 25-86, which proposes the dedication of Kehalani's main collector roads to Maui County.

For over eight years, RCFC Kehalani, LLC, and Dowling Co., Inc., have worked diligently to facilitate this dedication. These roads, built to County standards at the time of construction, serve not only Kehalani residents but also the public, providing critical access to Pu'u Kukui Elementary School and Kehalani Mauka Park. Dedicating these roads to the County will shift maintenance costs from our homeowners to the County, relieving a significant financial burden on our community.

I urge the Committee to approve Resolution No. 25-86 on May 12, 2025, to ensure these roadways are maintained by the County for the benefit of all who rely on them. Thank you for your consideration.

Sincerely,  
Shannon Eustace  
Kehalani Homeowner
