Dear Maui County Clerk Maui County Council,

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

BAMBOOZLED: "There is nothing so horrible in nature as to see a beautiful theory by Maui's elected leaders, including State of Hawaii and Monsanto murdered by an ugly gang of facts." -- Benjamin Franklin

* July 10, 2019 - The State of Hawaii found guilty of violating Clean Water Act on Kauai with cancer-linked Glyphosate, other pesticides. <http://bit.ly/2IAePOD>

* "A Tragedy of the Commons'. We aren't like bamboozled frogs ... are we?

(*) BAMBOOZLED BOILING FROG SYNDROME: Are we watching our nation (and the world) suffer from this phenomenon?

"The failure to accept, acknowledge, or act against a problematic situation that will gradually increase in severity until it reaches calamitous proportions. It is a metaphor taken from an anecdotal parable about boiling a frog, in which a frog placed in boiling water will immediately try to save itself, but one placed in cool water that is gradually brought to a boil will not notice the heat until it is boiled to death." (Free Dictionary)

Sincerely,
John Deneen

Dear Maui County Clerk Maui County Council,

When the people of Maui, along with the rest of the state and nation, think of Maui, it should not be as the place where the Clean Water Act was gutted, where the fate of the health of our ocean, reefs, and people was cemented in perpetuity as less valuable than the ability of polluters to harm at will. We know appropriate solutions are costly, but there are solutions, and the money spent by the county should be on these solutions, not in fighting against protections for people and planet. I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225, The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

The whole US is watching what happens in Maui. Do the right thing.

Mahalo nui,
Phaethon Keeney
Honokaa, Hawaii

Sincerely,
Phaethon Keeney
