Re: Strong support for PEA 13

Hrg: Tuesday, November 20th, Kalana o Maui Bld. 8th floor

Aloha members of the council, thank you for the opportunity to submit testimony in support of PEA 13 which makes vaping considered smoking when smoking is prohibited or illegal at any given place or time when smoking is not allowed. I strongly support PEA13 because I have recently learned in my classroom that you can get many different sicknesses from second hand smoke including small things like coughing shortness of breath, sneezing, and ear infections, to things like heart disease lung cancer and even stroke. This is why I think vaping should be included with all smoking laws and restrictions as it produces second hand smoke that is just as dangerous as any other second hand smoke and can harm our keiki and future generations.

Mahalo,
Jarreau Beska-Morimoto, 14
