To: Council Chair Mike White

In response to comments received,

Mr. White your complicity and advisement to Mayor Alan Arakawa is Machevellian, akin to Rasputin, institutionalizing negative thoughts to better the well being of Maui County and its residents to Mayor Arakawa knowingly adverse to promoting the trust worthiness and integrity of Mayor Arakawa to incite negativity and ill will towards Mayor Arakawa to accelerate the eventual downfall of Mayor Arakawa.

Your conduct is repugnant, abhorrent and insidious of an individual who himself is a purveyor of darkness to achieve personal gain and political power.

Mr. White, please recuse yourself from any and all proceedings that you have a direct or indirect conflict with your job as General Manager for Kanaapali Resorts and any affiliates including and not limited to the State Pension Fund.

Thank you very much

Respectfully,
