**Subject:** Testifying to extend water plans

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

Aloha I am testifying in favor of extended the time frame of decisions being made on the Maui country Water Usage plan from today, to June of 2021. I heard the whole doc has not even been reviewed. We must make sure it has time to be so we can make sure the plan for our water usage for the next 20 years is solid and Pono. Many blessings & Aloha, peace!
