Subject: Manu Adolpho Molokai Planning Commission

To whom it may concern,

I'm writing this in support of Manu Adolpho to fill a vacant seat on the Molokai Planning Commission. Manu is a classmate of mine, we grew up together and I've seen him in many roles as office in high school. He is very reliable and sees both sides of any situation. He has the knowledge to go far and strong opinions with whatever he is faced with. If he doesn't know the answer he will be honest and let you know that he will find it and will work until he has success. I am honored to say that he deserves a shot and shouldn't be turned away based off things that he has no control of. I believe you should consider him a candidate to hold a seat in the Molokai Planning Commission.

Thank you,
