Aloha council member King,

I have been reading some very disturbing words that YOU have written about "strangling" this project. Please support it! So much hard work and community input was put into this. This project will greatly benefit the local community and surrounding businesses. Do not sell us down the road for your own personal interests or just so you can try to pick a fight with the mayor. The hard working residents of Wailuku deserve this. You represent the PEOPLE, not your own personal interests!

Mahalo,

Lopaka White
