To whom it may concern,

I support Carl H. Adolpho III to be on the Molokai Planning Commission. I know he will be a valueable asset to the Board and our community.

I have watched Carl grow from childhood into a very intelligent, kind, and compassionate husband, father and leader. He also comes from a very spiritual and athletic family. Carl's ability to comprehend, strive and achieve tasks set in front of him is a great quality. Carl would offer a new look into the decision making that would affect our community.

Again, I support Carl H. Adolpho III to be appointed to the Molokai Planning Commission.

Mahalo,
