TO: JORDAN MOLINA, DIRECTOR OF PUBLIC WORKS

FROM: MICHAEL SILVA, PUBLIC WORKS COMMISSION CHAIR *MS*

SUBJECT: **PUBLIC WORKS COMMISSION MARCH 23, 2022 AGENDA ACTIONS**

The Public Works Commission, at its regular meeting of March 23, 2022, took the following actions:

1. Acceptance of Minutes

The Commission revised the meeting minutes to reflect that Commissioner Wilson was present at the meeting. The Commission unanimously approved the revised meeting minutes for its meeting of January 26, 2022.

2. Request for comment from Councilmember Kelly King on a proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING CHAPTER 20.35, MAUI COUNTY CODE, RELATING TO OUTDOOR LIGHTING FOR PROTECTION OF SEABIRDS".

The Commission voted unanimously to provide the following comments on the proposed bill:

1. The County should be cautious accepting recommendation proposed by lighting manufactures who stand to profit from a proposed change in the law when the proposed changes have not been reviewed by an independent third-party industry expert.
2. The County should hire an electrical engineer or appropriate independent third-party industry expert to review and verify the appropriateness of the lighting specifications being proposed in the bill prior to adopting any change to the outdoor lighting standards.
3. The County should await the findings of the environmental assessment being conducted in conjunction with the Department of Public Works' street light conversion project prior to adopting any change to the outdoor lighting standards.
4. The County should conduct an analysis of the cost impacts anticipated to result from the proposed change to the outdoor lighting standards.
5. The County should not impose the proposed changes to the outdoor lighting standards on swimming pool as it could present a safety hazard to not have adequate lighting around pools and pool decks.

Return to _____ Due _____

By: _____ Date _____

Mr. Michael Silva, Chair,
and Members of the Public Works Commission
c/o Department of the Public Works
County of Maui
Wailuku, Hawai'i 96793

Dear Mr. Silva and Members of the Public Works Commission:

SUBJECT: BILL 21 (2022), SEABIRD AND BIODIVERSITY PROTECTION (CARE-74)

May I please request the Commission's comments on Bill 21 (2022), entitled "A BILL FOR AN ORDINANCE AMENDING CHAPTER 20.35, MAUI COUNTY CODE, RELATING TO OUTDOOR LIGHTING FOR PROTECTION OF SEABIRDS," attached for your reference.

Bill 21 (2022)'s purpose is to protect native Hawaiian seabirds from becoming disoriented by artificial lights during their maiden flights out to sea, an occurrence often referred to as "fallout," which leaves them vulnerable to predation, vehicle collisions, and starvation.

May I further request you transmit your comments at the conclusion of the February 23, 2022, Public Works Commission meeting, to care.committee@mauicounty.us, and include the relevant Committee item number in the subject line of your response.

Should you have any questions, please contact me or the Committee staff (Brittney Sunderland at ext. 7141, or Jean Pokipala at ext. 8006).

ORDINANCE NO. _____

BILL NO. _____ (2022)

A BILL FOR AN ORDINANCE AMENDING CHAPTER 20.35, MAUI COUNTY
CODE, RELATING TO OUTDOOR LIGHTING FOR PROTECTION OF SEABIRDS

BE IT ORDAINED BY THE PEOPLE OF THE COUNTY OF MAUI:

SECTION 1. The purpose of this Ordinance is to protect native Hawaiian seabirds from becoming disoriented by artificial lights during their maiden flights from their burrows out to sea. This is often referred to as “fallout” and leaves the birds at risk of predation by cats, mongoose, and other predators; vehicle collisions; and starvation.

Hawaiian seabirds are an important part of Hawaiian history and were traditionally used by navigators to find their way back home to their islands. They also help our fishermen locate schools of ahi and are critical to our watersheds by helping to fertilize the soils with marine nutrients in their droppings.

The Council’s intent is to protect native Hawaiian seabirds as much as possible from interference of onshore sources of man-made light.

SECTION 2. Section 20.35.060, Maui County Code, is amended to read as follows:

“20.35.060 General Requirements. A. All new outdoor lighting fixtures [shall] must comply with the requirements of section 20.35.090.

B. All outdoor lighting fixtures that were legally installed before January 25, 2007, [shall] must comply with section 20.35.090 [by January 1, 2020]; except class III lighting fixtures that were legally installed before January 25, 2007, [shall be] are exempt from section 20.35.090.

C. Mercury vapor [shall] must not be used for new outdoor lighting fixtures or for the replacement of existing outdoor lighting fixtures. All existing mercury vapor outdoor lighting fixtures [shall] must be removed [within ten years of the enactment of this ordinance.] by January 25, 2017.

D. Wherever possible, all outdoor lighting fixtures installed after enactment of the ordinance establishing this subsection, including swimming and decorative pool lighting, must be filtered light emitting diode fixtures that limit short wavelength content to <5% wavelengths <550nm.

E. All outdoor lighting fixtures must be:

1. Down directed with no light shining above the horizontal. Wall-mounted fixtures must have opaque shields to direct all light down, and wall surfaces must be non-reflective.

2. Fully shielded, including shielding that ensures no light shines over the ocean.

3. Mounted as low as physically possible to limit light trespass and reflection off ground surfaces. Fixtures must not have bulbs visible from above.

F. Swimming-pool lighting must be operated by motion detectors to activate when people approach and deactivate five minutes after people depart."

SECTION 3. Section 20.35.080, Maui County Code, is amended to replace all references to Chapter 16.18A with Chapter 16.18B.

SECTION 4. Material to be repealed is bracketed. New material is underscored. In printing this bill, the County Clerk need not include the brackets, the bracketed material, or the underscoring.

SECTION 5. This Ordinance takes effect on approval.
