Subject: Please defer further action on EAR-63

Aloha Council Chair Guzman,

I am writing in opposition to the proposed resolution to authorize Maui County to lease the Old Maui High School Site (Hamakuapoko) to Teach Development LLC. Maui has seen plenty of developers proposing and promising to protect and preserve the local culture and environment.

The traffic situation through Paia needs to be addressed before any major development happens in this area.

I respectfully urge your committee to **defer further action on EAR-63** and ask the Administration to reconsider this private commercial land development proposal of our treasured Hamakuapoko.

Sincerely,

Nicole Busto
