Aloha,

Please find action items proposed for deletion. Last Thursday, a group of 16 community members met and discussed all the action items in Chapter 12. Some notes describing the reason for deletion can be found in the Priority & Comment column.

The reason for many of the proposed deletions are because the action item has been completed, is close to completion, has been combined for a more cohesive action item, or because it is being handled by another entity.

Mahalo,  
Keani
